

Avon Money Management Checklist

1

Separate Avon money from personal money.

- Open a separate checking account.
- Deposit Customer payments into your checking account immediately.
- Keep your Avon account balance up to date.

Explain Avon payment policies to your Customers.

- Schedule deliveries with Customers and ask them to have payments ready at that time.
- Explain that payments must be made in full at time of delivery.

Explain Avon payment methods to your Customers.

- You may accept payments from Customers by cash, debit card, credit card or money order.
- It is your choice to accept checks or credit cards from Customers.
- Make sure all checks and money orders are made out to you, not Avon.

Follow Avon payment policies.

- Promptly deposit all your Customer payments into your account so you can pay Avon on time.
- Pay your Avon account online using QuikPAY, your credit card (American Express, VISA, MasterCard or Discover) or by telephone using FAST Talk.
- Use an approved payment method to pay your Avon account by mail: check, money order, debit card or credit card.
